

# FIRST AID *Training*

We offer a range of First Aid training provision within Preston (UK), and it's surrounding areas.

Our on-site training is particularly cost effective to those who have several people requiring training at the same time (6 or more people). In addition to this there are several other benefits:

- ✓ Choosing your own venue gives greater convenience.
- ✓ Travelling and accommodation costs can be reduced or removed.
- ✓ A greater choice of course types are available.
- ✓ The course content can be tailored to your exact requirements.
- ✓ Businesses and organisations can choose a suitable time to run their course

# FIRST AID *Training*

An Ambulance will usually arrive within 8 minutes. **During that time you could save a life.** When somebody is seriously injured the First Aid that you could provide within these valuable minutes could save a life.
